- 60 % K6-7 one fault. K8-11 max two faults. Rest maximum three faults.

Continue on next page

The following drums will be scrapped

- Rotten drums (does not apply to direct customers of cable manufactures, unless there are signs of rough handling)
- Broken flanges
- Drums which is not Scandinavian (K) standard
- Painted, greasy or very dirty drums
- Rubbish in the centre
- Drums that are clearly not capable of upholding the strength requirements
- Sharp objects in the barrel
- Drums with damaged centre bushing
- K 6-K 7 with more than one fault
- K 8-K 11 with more than two faults
- K 12-K 30 with more than three faults
- Drums with steel barrel will only be accepted after agreement

If there is cable left on the drums there will be a fee for unrolling and a destruction fee for the cable.

Scrapped drums will be charged as follows:

K 6-9	80,-
K 10-14	180,-
K 16-20	450,-
K 22-24	580,-
K 26	830,-
K 28-30	1080,-

Avoid unnecessary freight costs and scrap the drums yourself.

We reserve the right to refuse deliveries from those who are not customers of cable manufactures.
